LETTER

ATTN: EXAMINER SHANG

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Examiner Shang:

We have recently received an Advisory Action indicating that our Response of March 14, 2005 could not be entered, since it was "filed after a Final Rejection."

Applicant, in a letter of October 24, 2006, brought to the Patent Office's attention that the previous Office Action of October 19, 2006, did not address certain issues including an action on pending Claim 48.

Subsequently, another Office Action of February 2, 2007 was issued to address all the claims. On Page 3 of this Office Action, it clearly noted as follows:

This Office Action is non-final.

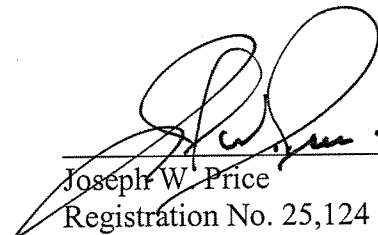

Thus, there appears to be a mistake in the submission of an Advisory Action of March 22, 2007.

Applicant has not received a Final Office Action, and it is respectfully submitted that the Amendment Response of March 14, 2007 should be considered and made of record.

The undersigned attorney would appreciate a telephone conference on this matter.

Very truly yours,

SNELL & WILMER L.L.P.
